

The Seattle Design Festival, a **two-day street fair** celebrating the powerful ways design affects our lives. This fun outdoor event is an opportunity for the design community and the public to come together and interact through large-scale design installations and pop-up design activities all centered around the **Festival's 2021 theme, EMERGE**. We invite participants to explore the opportunities of adaptation and change as we move forward with what we've learned from 2020.

Festival Goals

- Demonstrate the relevance of design thinking
- Empower communities to leverage design
- Promote a culture of collaboration

August 21-22, 10am-7pm
Lake Union Park

Built Installations and Pop-up Experiences are free and open to the public and attendees of all ages. For the most current program information, accessibility information, and full descriptions of programming, please visit:
