

Seattle Design Festival

We unleash the design thinker in everyone to illuminate Seattle's challenges and ignite action.

2023 Sponsorship

Dear Design Leader,

I am excited to invite you to support Seattle Design Festival (SDF) as a celebration of the transformative power of design. Far beyond the idea that design is about how something looks, SDF programs showcase the ways that design can change how we think, how we live, and how we interact with our world.

Your partnership as a sponsor sustains SDF as one of the most impactful publicly created design festivals in the world and ensures our programs remain 99% free to attend. Sponsors make the festival possible, and allow SDF to provide participation funding to community organizations and nonprofits. In 2022 the festival welcomed nearly 11,000 visitors, and hosted 463 designers, 136 Festival partners, 13 virtual experiences, and 57 community spotlight programs representing 21 distinct design disciplines.

Supporting SDF offers sponsors an opportunity to align with our festival goals:

- **Demonstrate the relevance of design thinking**
- **Empower communities to leverage design**
- **Promote a culture of collaboration**

Supporting SDF through sponsorship will bring visibility to your organization with design-engaged audiences including families, youth, NGO's, and professionals working in disciplines such as environmental design, visual communications, industrial design, interactive and information design, interiors, and fashion. SDF will help your organization create relationships with other leaders and innovators who make great design happen in our city.

In 2022, festival attendance nearly doubled above 2021 levels, and the year ahead promises to bring forward the thriving festival spirit that centers around community engagement. I would so welcome your partnership to support Seattle Design Festival as a sponsor in 2023, and help us empower our community to find the path to change-making through design.

In partnership,

FAQs

Can I propose a project/installation without committing to a sponsorship?

Yes! For-profit businesses will be required to pay a proposal fee, but participation is not contingent on a paid sponsorship. We will be in touch in early April to share the 2023 Call For Proposals.

I have products I would like to market to architects. Does Seattle Design Festival have a trade show?

No. While Sponsors are eligible to propose a unique festival installation, program or event, product marketing is discouraged. Proposals should: 1) highlight the value of your creative process; 2) provide an opportunity for community members to participate in design processes and for the public to influence design outcomes; 3) address or support work around urgent community problems; 4) inspire action and engage others; 5) showcase and celebrate design and our greater design community.

Do I get to present at a program?

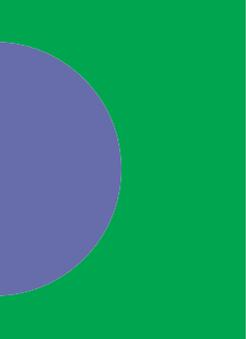

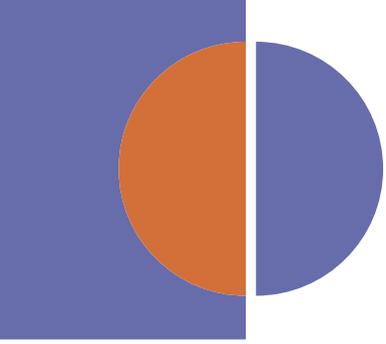

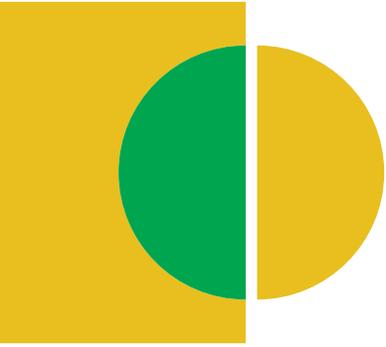

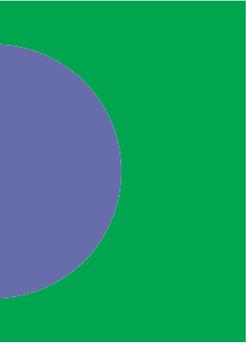

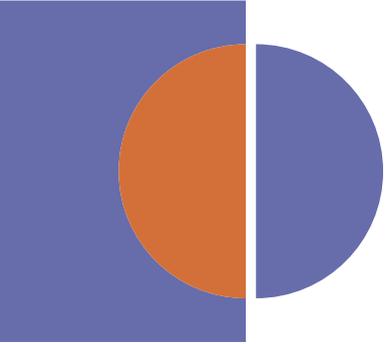

All SDF Sponsors are encouraged to submit a program for the Festival! Showcase your team's creativity and demonstrate the relevance of your organization's work to a large public audience. As a benefit of sponsorship, your submission fee will be waived! (\$100-\$500 value).

My company is sponsoring an AIA Seattle program. Can we sponsor SDF, too?

Yes! However, AIA Seattle and SDF are separate entities with separate tax statuses. We request that commitments and payments to both organizations remain separate. You will receive a separate acknowledgment letter from each organization for your contribution.

Is my sponsorship tax-deductible?

Yes. SDF is a not for profit 501(c)3 and, as such, sponsorships are considered a charitable contribution. EIN: 27-4569299. Consult your tax advisor.
